

From 16 August to 30 October, from Monday to Friday from 7:30 a.m. to 5:00 p.m., the Livek-Livške Ravne road is completely closed. Access to the Kolovrat outdoor museum is currently possible from the direction of Tolmin (the village of Volče), from the direction of Kambreško (only for cars) or from Italy via Solarie.

STAGE 3 The path to the Italian chapel on Mt. Planica is closed from the direction of mountain hut Kuhinja. We recommend a slightly longer trail, which ascends to the Zaslap mountain pasture and then descends to the chapel on Mt. Planica. You can also use the Hop on-Hop off bus and continue with the 4th section of the Walk of Peace (Mountain Hut Kuhinja – Mrzli vrh – Tolmin). In this case, omit the 3rd section (Kobarid – Drežnica – Planica – Mountain Hut Kuhinja).
